

Help Stop the Spread

As we reopen our lobbies and welcome you back, we have instituted some safety measures to ensure your safety and the safety of the OUR Credit Union staff.

We ask that you wear a mask when entering the building.

You may be asked to temporarily remove your mask for identification purposes. If you are unable to wear a mask, your transaction can be completed in the drive thru.

Please do your best to maintain the recommended 6-foot social distancing.

We will limit the number of members allowed in our branches at one time, so as possible please limit bringing others with you.

Hand sanitizer will be available for all visitors.

We have increased our regular professional cleaning and staff will also be cleaning high contact areas throughout the day.

As always, most transactions, including applying for and closing of loans can be handled remotely or through the drive thru.

For any questions or concerns or to set up remote access please contact us at 248-549-3838 or email us at info@ourcuonline.org
