

The Loss of OUR Former President/CEO, Tom Zamberlan

OUR Credit Union mourns the loss of former President and CEO, Thomas P. Zamberlan. Thomas passed away peacefully in the company of his family Friday February 28, 2020.

Tom had an infectious laugh, was fondly referred to as “Mr. Z” and he demonstrated his passion for giving back. He served for many years on the executive boards of the Oakland County Chapter of Credit Unions and the Royal Oak Foundation for Education until his retirement in 2012.

Mr. Zamberlan’s steady and strong leadership was key to the success of the credit union. The economic downturn brought many challenges that required a different kind of insight and management to keep the credit union financially stable. He positioned the credit union for continued growth with two new locations, the first new branches the credit union had seen in 20 years.

Tina Dix, current President and CEO said, "Tom believed strongly in the credit union movement and helping all staff grow to their fullest potential both at work and on the golf course, as Tom was also an avid golfer."

In retirement he continued to give back and spent quality time with his wife Diane, their children, and grandchildren.
