

The Loss of OUR Former President/CEO, Michael Thomson

OUR Credit Union mourns the loss of former President and CEO, Michael L. Thomson.

Michael passed away peacefully in the company of his family on Friday February 21, 2020. Tina Dix, current President and CEO said, "Mike was a mentor to many who worked for him. He was a strategic thinker and often ahead of his time with many innovations during his tenure."

Under Michael's leadership, (then) St. Dennis Parish Credit Union underwent name changes, charter expansions, installed their first data processing system, first ATMs and the construction of a new main office which remains our headquarters today. Mike helped OUR Credit Union grow from a small parish credit union to a community-based credit union that now serves the entire state of Michigan. Mr. Thomson's vision and leadership laid the groundwork for the continued success of OUR Credit Union long after his retirement in 1994.
