NOTE

If approved and disbursed by the credit union, you (if more than one of you, jointly and severally) promise to pay the credit union the principal amount plus interest on the unpaid balance according to the payment schedule and rate listed in the applicable disclosures provided on the prior page. The rest of the terms and conditions of this Note are listed herein. You also pledge your accounts in the credit union in accordance with the "Pledge of Savings." However, if payments on this loan are up-to-date, Borrower(s) can withdraw shares and/or deposits in excess of the outstanding loan amount.

A. Prepayment: You can repay all or any part of this loan at any time without penalty.

B. Late Charges: Fines or charges may be imposed for late payments on this loan up to the maximum shown in the disclosures provided.

C. Default: You are in default if you fail to make a payment on this loan on time. You are also in default under this Note if you die, file bankruptcy, or if you are in default under any other agreement with this credit union.

D. Acceleration: If you are in default, any part of this loan then unpaid and any other amounts you owe under any other agreement with this credit union are due and payable in full without notice to you (unless a mortgage provides otherwise), at credit union's option.

E. Pledge of Savings: As security for all amounts owing under this Note, you pledge all shares and/or deposits (including earnings and additions) you now or in the future have in this credit union, but only up to the total of such amounts unpaid from time to time. If you default, you authorize the credit union to apply such shares and/or deposits to payment of these amounts. This pledge does not apply to shares and/or deposits in an Individual Retirement Account (IRA); Keogh Plan or All-Savers Certificate. Regardless of this pledge, if payments on this loan are up-to-date, Borrower(s) can withdraw shares and/or deposits to the extent indicated on this form.

F. By signing as Applicant/Borrower and/or Co-Applicant/Co-Borrower, I/We hereby certify that all statements made, are true and complete, are submitted for the purpose of obtaining credit and that the Credit Union may rely on them for such determination. I/We authorize the Credit Union to obtain such information as it may require concerning the statements made in this Application/Note, and agree that the application shall remain the Credit Union's property whether or not the loan is granted.
